

The following 504 Plan provisions are currently in place for a student with celiac disease. The plan was prepared in consultation with the student's parents and the school's 504 Team. The names provided throughout are fictitious in order to protect the privacy of the child.

Attachment to John Doe, Jr.'s 504 Plan

May 2, 2008

1. The school will provide Mrs. Doe, John Jr.'s mother, with a copy of the latest Revised Ingredient document of Food and Nutrition Services of Winn-Dixie County Schools, for the food served in the school breakfast, lunch, and snack programs.
2. Food and Nutrition Services will provide Mrs. Doe with a monthly gluten free menu.
3. Food Services at Winn-Dixie Elementary School will offer gluten-free bread and cereal products to John Jr.
4. A code will be shown at the cash register when John Jr. Doe pays for his food, indicating that he has a restricted diet. A highlighted menu provided by Food and Nutrition Services will be available to the manager for reference.
5. Teachers will give 24 hours notice to Mrs. Doe of any special events at which food will be provided that is not from the cafeteria. Mrs. Doe will be given the option to provide John Jr. with food for the event.
6. Mrs. Doe will be notified of any instance , that John Jr. has ingested a gluten product.
7. Teachers and resource personnel will be apprised annually of the impact of gluten on John Doe Jr.'s health and will require John. Jr. to wash his hands after handling known gluten containing products.
8. Teachers will not give John Jr. any foods not approved in advance, and in writing after consultation with Mrs. Doe.

Additionally, Mrs. Doe's physician will review the gluten-free lunch cycle menu options provided by Winn-Dixie County Schools and Food and Nutrition Services, with the understanding that it meets the meal pattern as prescribed by the USDA, and that it is consistent with medical prescription and reasonable accommodation.
